I HAVE FINALLY FOUND AN UNVERIFIED PROPERTY WHERE I CAN MOVE IN RIGHT AWAY.

Note: I finally finished with this one! It's a lot of work (Including the sudden extras), but I'd say it's worth it. It's a pretty wholesome relationship these two have. I also love how her veins are visible on her breasts (It's a very rare thing in doujins). Next, I'll work on the Yae & Ei x Aether doujin by Uran & the Elf doujin by Horiishi.
